## **COMPANY ENVIRONMENTAL POLICY**

**EDP (UK) Limited** are committed to a continuous improvement approach.

This is why we are determined to contribute in an active way to the protection of the environment.

The Directors of the company are committed to the following principles:

- To prevent pollution to land, air and water
- To comply with legislation, regulations and other applicable environmental requirements
- To seek to minimise the Environmental impact of the Company`s operations and the more efficient consumption of energy
- To a commitment to continual Environmental improvement
- To minimise the amount of waste produced by the company, and to reuse or recycle where possible
- To communicate internally and externally in an appropriate manner

Signed Directors.
