

Edgebanding Product News from EDP

Brushed Steel with Red, White or Black

The latest designer edging material has arrived ...
Doppia GLASS effect PMMA Edgebanding

EDP (UK) Ltd are pleased to announce the arrival of the very latest designer trend in Edgebanding - **Doppia**.

Doppia GLASS effect PMMA Edgebanding is a 1mm thick duo glass effect PMMA edge finished in Brushed Steel with a contrasting colour strip which is designed to complement the High Gloss surface colour of the door.

Doppia décor's are available as standard in Brushed Steel with White, Black and Red of Roll Lots - 150mts per décor.

Other colours are available to order subject to production lead-time and MOQ.

Brushed Steel with Burgundy

EDGEExpress is an extensive new collection of Edgebanding décor's available from the **EDP** factory in box quantities. If you are looking for a specific décor match please enquire by MFC décor number and we will check the very latest **EDP EDGEExpress** Edgebanding Collection.

For further information on the new EDP Edgebanding Collection or **EDGEExpress** please ask your local sales contact or telephone the EDP Office on 01702 618877
