EDP – supplying quality Edgebanding Products for a decade

EDP (UK) Ltd are proud to have been supplying quality products to the furniture and associated industries for 10 years. The **EDP** Product Portfolio has evolved into a comprehensive and innovative collection of decor designs of Edgebanding and 3D Furniture Films plus exclusive designer style Handles, Table Legs and accessories. With our European Principles we endeavour to bring the latest in designer style, trend and decor matches to our customers.

One of the latest product launches is **Doppia GLASS** which is a 1mm thick duo glass effect PMMA edge finished in Brushed Steel with a contrasting colour strip, designed to give a 'glass fronted look' and complement the High Gloss surface colour of the door.
